

Fallure to timely submit a required disclosure statement will result in the imposition of an administrative late fee of \$50.00 per day, with a maximum penalty of \$1,500. It is the responsibility of each hospital service district or hospital executive who has an immediate family member employed to see that these statements are timely filed.

If a hospital service district or public trust authority board member or if a trustee of a charitable organization employed by the hospital, then he is not required to file a disclosure statement.

NOTE: These disclosure statements are due by January 30th of each year (or as of the date employed by the hospital service district or hospital public trust authority). This Disclosure Statement must be filed even if you filed one last year or at any other time during the year and the information you disclosed has not changed.
